

ray_diagrams.quiz

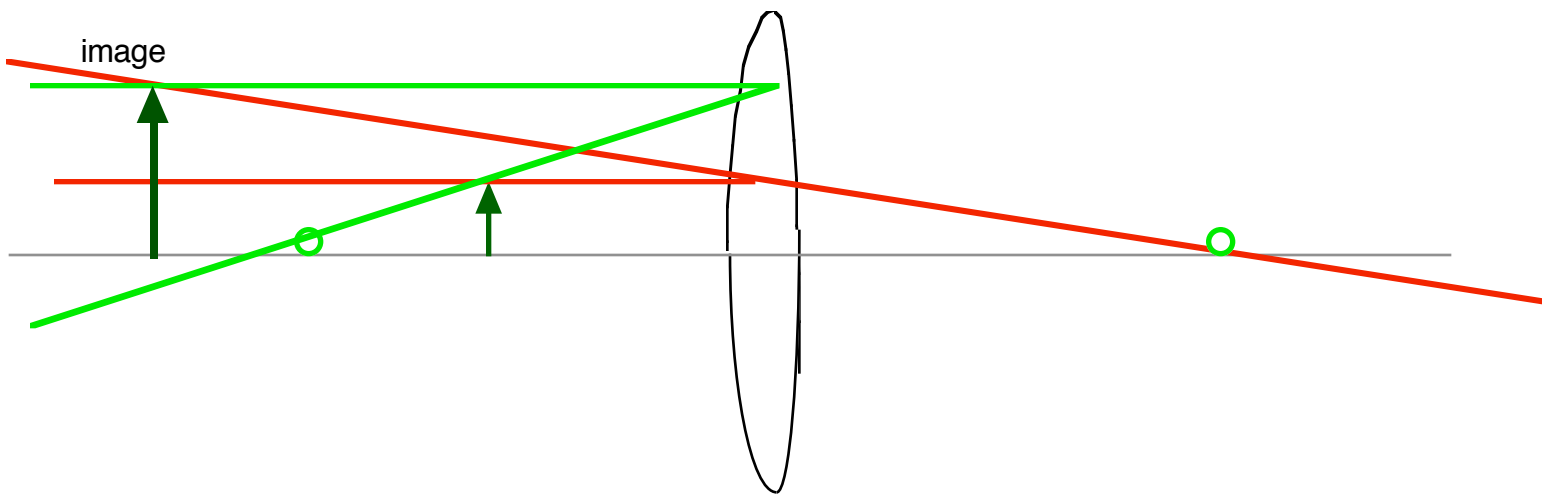

convex lens with object outside focal point ray 1

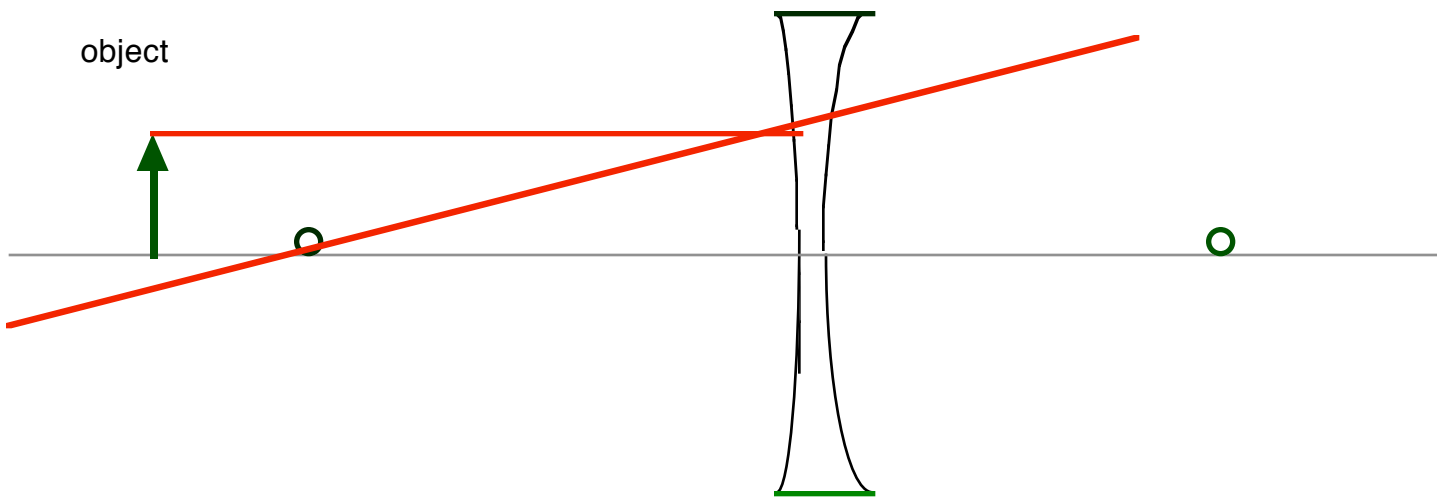

convex lens with object outside focal point ray 1 and ray
2

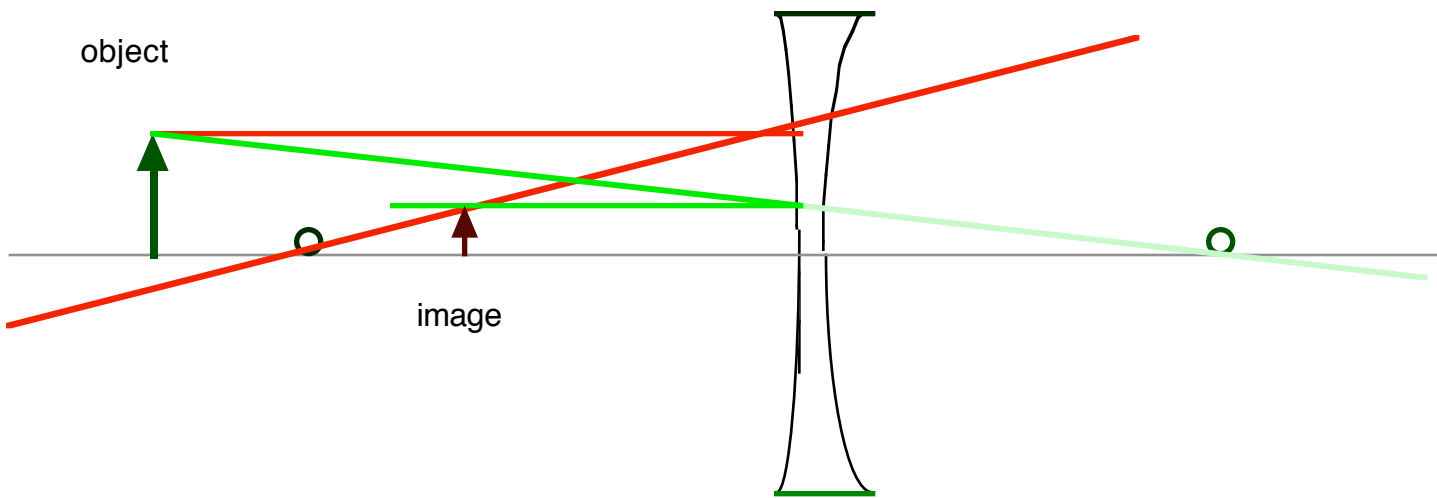

convex lens with object inside focal point ray 1

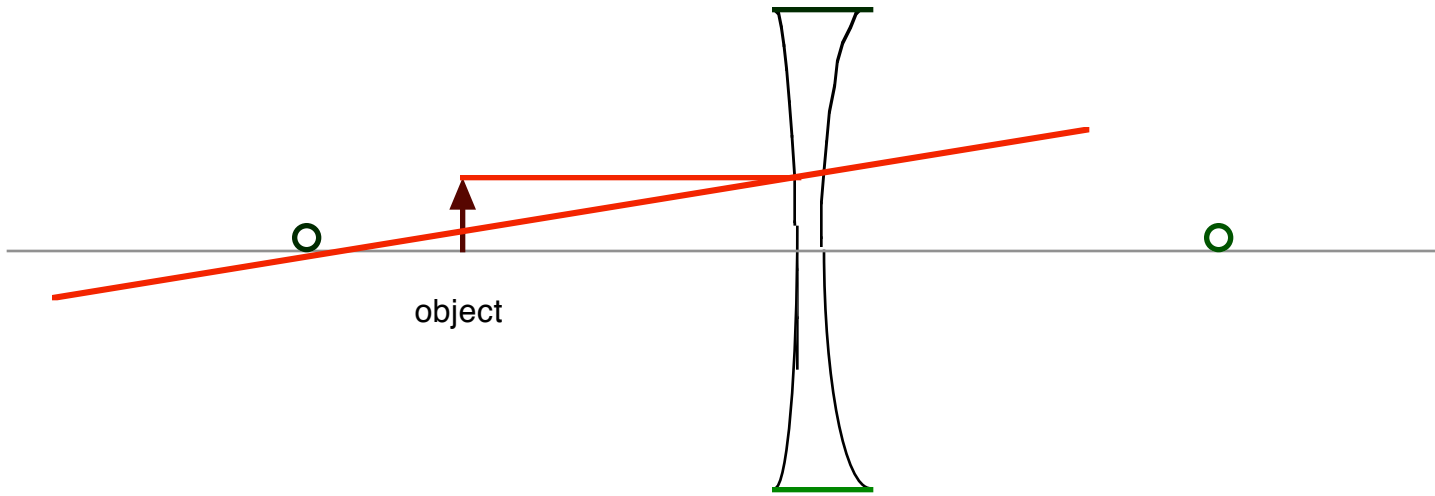

convex lens with object inside focal point ray 1 and ray 2

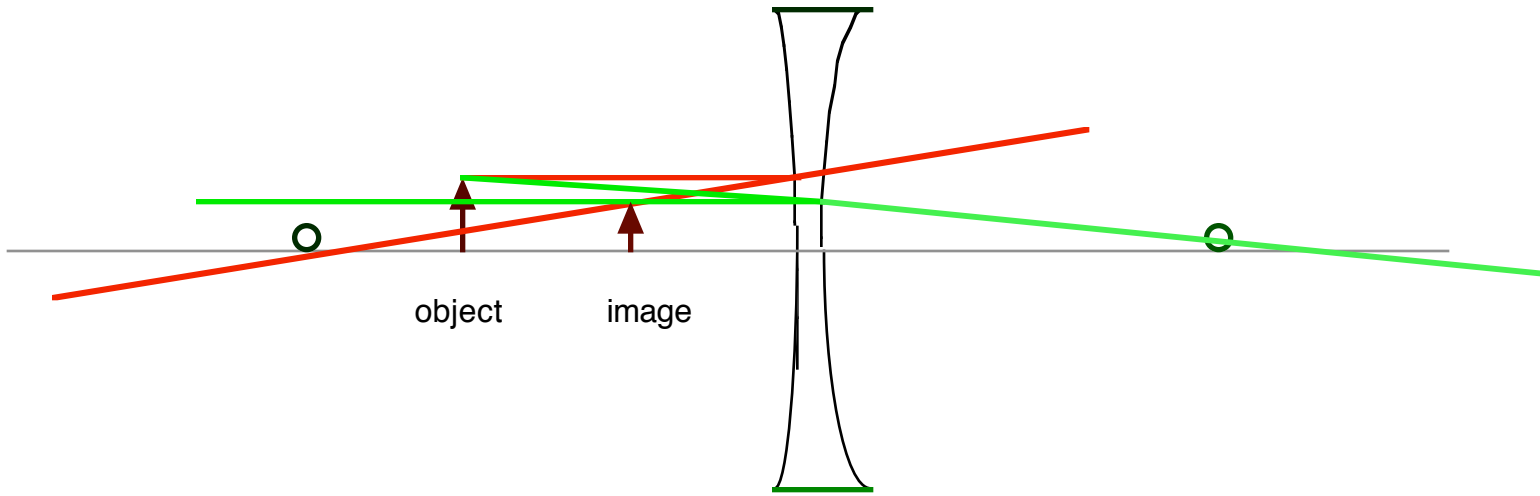

concave lens with object outside focal point (ray 1)

concave lens with object outside focal point (ray 1 and ray 2)

concave lens with object inside focal point (ray 1)

concave lens with object inside focal point (ray 1 and ray 2)
